

NAMMA KSHETRAKKE NAMMA VACHANA

Bharatiya Janata Party Manifesto
Karnataka Assembly Election - 2018

“The spirit of democracy dies, if one thinks the role of a citizen ends at voting” – Sri Narendra Modi

The election manifesto should not be a mere document which promises people what the political party thinks is right for the people. Unless it reflects what the people really want, it is only a proclaimed democratic document which assumes what the people need.

Change has to begin somewhere. And for the first ever time in the democratic history of India, the Bharathiya Janata Party (BJP) has reached to the very roots of democracy, to empower democracy itself. We have interacted with over 2 Crore people of Karnataka to reflect their voice in the Vision Document for Karnataka, 2018 – which we proudly call the “People’s Manifesto”.

“Nava Karnataka Janapara Shakthi”-Our Public Outreach Campaign has enabled us to address the issues of the people at the grass root level. We take pride in having incorporated a pro-people, pro-active and a participatory democratic approach in addressing the needs of the people.

Traditionally, Governments have taken a top down approach by deciding what the people need. However, BJP has broken all stereotypes by reaching out to people to elicit suggestions from the general public through public meetings, SMSes, emails and door to door campaigns on issues that need to be addressed in the Vision Document for each of the 224 Vidhana Sabha constituencies. This is just the first step in the direction of Sabka Saath Sabka Vikas...

Democracy begins to end, the day we keep silent on things that really matter. It is time for us to join hands to actively participate towards building a New Karnataka for New India and pave the way towards Good Governance and Development in our State.

B S Yeddyurappa
BJP State President

Nippani Constituency (1)

The Bharatiya Janata Party is committed to ensure the all-round development of Nippani Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Nippani. In this endeavour, we promise to do the following:

- Implement the new Minimum Support Price Policy of Government of India, as announced by Honourable PM Narendra Modi
- Work in tandem with the Agriculture Department to facilitate alternate avenues for tobacco farmers. This will involve mapping different crops grown across the State and provide opportunities for these farmers to scale up profits with other cash crops
- Replicate the Uttar Pradesh and Maharashtra model to waive off loans to small and marginal farmers in a phased manner
- Make recommendations to the Ministry of Railways to implement a railway line between Belagavi and Karad via Nippani to boost the development of textile industries while promoting economic development of several towns and villages in the Karnataka - Maharashtra region. Efforts should be made to ensure that the alignment of the railway line does not have adverse effect to the fertile agricultural land and displace marginal farmers in the region
- Upgrade and improve facilities and infrastructure at the Nippani Railway Station
- Work in concurrence with Maharashtra Government to release more water to Karnataka from Kalmawadi Dam across Dudhaganga River
- Undertake periodic de-silting of Dudhaganga and Vedaganga Rivers
- Evaluate the option of using renewable energy and examine the feasibility of three phase electricity supply to farmers in the region
- Set up a 500 bed multi-speciality hospital in Nippani in PPP model to administer quality medical care to people
- Improve veterinary services in the region
- Provide basic facilities and infrastructure and designate Sindur Temple as a tourist and religious centre
- Evaluate the need to establish an Engineering College at Nippani
- Evaluate the option of increasing the height of Hippargi Barrage to accommodate the storage of additional water to address the drinking water problem in the area. Work out justifiable compensation and relocation plan to those losing land to irrigational projects
- Accelerate the Karima Sari Irrigation Project and ensure that the remote villages have access to water
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost
- Establish a Raita Samparka Kendra to provide information related to crop production, agricultural inputs, soil and seed testing technologies

Chikkodi Constituency (2)

The Bharatiya Janata Party is committed to ensure the all-round development of Chikkodi Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Chikkodi. In this endeavour, we promise to do the following:

- Replicate the Maharashtra and UP model to waive off loans to small and marginal farmers in a phased manner
- Educate the farmers and provide crop insurance to farmers under Fasal Bima Yojana
- Evaluate the option of using renewable energy and examine the feasibility of three phase electricity supply to farmers in the region
- Provide inputs and farming equipment at affordable rates to farmers in tune with the State Government Policy
- Improve access and connectivity to APMCs
- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Release water from Krishna River to provide drinking water to Khadalakat and Pattankudi
- Release water to Kerur Canal to meet the water requirements in the region
- Implement the Kargaon and Mahalaxmi Lift Irrigation Project
- Widen Nippani- Mudhol Road and install scientific speed breakers to prevent road accidents
- Propose a solution to resolve the water issues in Kagwad, Athani, and Chikkodi in Belagavi
- Evaluate the option of increasing the height of Hippargi Barrage to accommodate the storage of additional water to address the drinking water problem in the area. Work out justifiable compensation and relocation plan to those losing land to irrigational projects
- Accelerate the Karima Sari Irrigation Project and ensure that the remote villages have access to water
- Fill up vacancies in Government Schools in accordance with the Karnataka State Civil Services (Regulation of Transfer of Teachers) Act, 2007
- Ensure quality higher education with adequate infrastructure and skill training
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era
- Upgrade the existing rural roads and lay new roads wherever necessary under the Pradhan Mantri Gram Sadak Yojana

Athani Constituency (3)

The Bharatiya Janata Party is committed to ensure the all-round development of Athani Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Athani. In this endeavour, we promise to do the following:

- Establish clusters of footwear industries with modern tools and methods to maintain quality and promote the export of “Kolhapuri” footwear made by the Samgar Community
- Improve bus connectivity between Belagavi and Athani
- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Provide frequent feeder bus service between the railway station at Ugar and the city centre which
- Improve connectivity and frequency of buses from Athani to Shedbal, Vijayapura, Meeraj, Sangli, Chikkodi and Ugar
- Upgrade the State Highways connecting Jewargi to Sankeshwara and Nippani to Muddebihal
- Work with the Ministry of Railways to fast track the construction of the new 112 km suburban railway line between Athani – Vijayapura and Shedbal
- Supply adequate water for irrigation to support the wineries around Belagavi
- Renovate and ensure the structural stability of the 140 year old Athani Municipality Building
- Preserve and restore the 500 year old Siddeshwara and Amruthalingeshwara Temples at Athani
- Build more Graduate and Post Graduate Colleges and align its curriculum closely with skills required in a diversified economy
- Propose a solution to resolve the water issues in Kagwad, Athani, and Chikkodi in Belagavi
- Evaluate the option of increasing the height of Hippargi Barrage to accommodate the storage of additional water to address the drinking water problem in the area. Work out justifiable compensation and relocation plan to those losing land to irrigational projects
- Accelerate the Karima Sari Irrigation Project and ensure that the remote villages have access to water
- Recommend to the Ministry of Railways to construct a railway line connecting Dharwad, Athani and Vijayapura
- Implement the new Minimum Support Price Policy of Government of India, as announced by the Honourable Prime Minister, Narendra Modi
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost

Kagwad Constituency (4)

The Bharatiya Janata Party is committed to ensure the all-round development of Kagwad Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Kagwad. In this endeavour, we promise to do the following:

- Commission and execute the Basaveshwara Lift Irrigation Project to provide irrigation to cover an area of 27,500 hectares
- Remove the silt deposited in Krishna River to improve the flow of water
- Formulate a joint agreement with the Government of Maharashtra on sharing Krishna River for drinking purposes
- Promote dairy farming in the region
- Replicate the Uttar Pradesh and Maharashtra model to waive off loans to small and marginal farmers in a phased manner
- Invest in basic infrastructure, amenities, health and education in the villages of Haligeri, Malabada, Ananthapura, Aaguru and Koravada
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost
- Examine the feasibility of setting up a cancer hospital in a PPP model
- Extend veterinary services to administer quality care to animals
- Make recommendations to the Ministry of Railways to provide a railway line between Bengaluru and Meeraj via Kagwad
- Improve the State Highway facilities in the area
- Implement the carving out of Kagwad Taluk from Athani
- Improve mechanisms to promote sugar industry and provide jobs for the people in the region
- Propose a solution to resolve the water issues in Kagwad, Athani, and Chikkodi in Belagavi
- Evaluate the option of increasing the height of Hippargi Barrage to accommodate the storage of additional water to address the drinking water problem in the area. Work out justifiable compensation and relocation plan to those losing land to irrigational projects
- Accelerate the Karima Sari Irrigation Project and ensure that the remote villages have access to water
- Implement the new Minimum Support Price Policy of Government of India, as announced by the Honourable Prime Minister, Narendra Modi
- Fill up vacancies in Government Schools in accordance with the Karnataka State Civil Services (Regulation of Transfer of Teachers) Act, 2007
- Ensure quality higher education with adequate infrastructure and skill training
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era

Kudachi Constituency (5)

The Bharatiya Janata Party is committed to ensure the all-round development of Kudachi Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Kudachi. In this endeavour, we promise to do the following:

- Facilitate and provide necessary support to produce good quality sugar
- Examine the feasibility of reviving the Ugar Sugar Works
- Provide better facilities and infrastructure for the marketing of Kudachi Brinjal and other agricultural products
- Promote Hazrat Maa Saheba Dargah as a tourist destination
- Recommend a railway line between Bengaluru and Kolhapur via Kudachi to the Ministry of Railways, Government of India
- Ensure the periodic de-silting of Krishna River
- Evaluate the option of increasing the height of Hippargi Barrage to accommodate the storage of additional water to address the drinking water problem in the area. Work out justifiable compensation and relocation plan to those losing land to irrigational projects
- Accelerate the Karima Sari Irrigation Project and ensure that the remote villages have access to water
- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era
- Fill up vacancies in Government Schools in accordance with the Karnataka State Civil Services (Regulation of Transfer of Teachers) Act, 2007
- Ensure quality higher education with adequate infrastructure and skill training

- Promote Horticulture in the region by providing necessary support to farmers and improve the logistics to transport produce
- Examine the feasibility of establishing a Horticulture Research and Training Centre
- Create more awareness and implement the Soil Health Card Scheme
- Provide necessary training to the farmers in scientific methods of organic farming
- Conduct a survey to assess agricultural resource potential, quantification of output, existing units and their functioning and the present resource utilisation patterns of the region to set up a fruit processing industry
- Upgrade the market facilities for silk producers, and enable electronic trading of silk, to avoid exploitation by middlemen and to ensure transparency
- Construct underground drainage system
- Attract investments to Gauribidanaur Industrial Area
- Fast track the Bengaluru-Puttaparthi (via Chikkaballapur and Bagepalli) railway line
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era
- Fill up vacancies in Government Schools and Colleges in accordance with the Karnataka State Civil Services (Regulation of Transfer of Teachers) Act, 2007

Sidlaghatta Constituency (142)

The Bharatiya Janata Party is committed to ensure the all-round development of Sidlaghatta Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Sidlaghatta. In this endeavour, we promise to do the following

- Provide regular supply of water to meet the irrigation requirements
- Establish RO Units wherever necessary, to provide clean and safe drinking water
- Promote Sprinkler and Drip Irrigation
- Promote Horticulture in the region by providing necessary support to farmers and improve the logistics to transport produce
- Examine the feasibility of establishing a Horticulture Research and Training Centre
- Create more awareness and implement the Soil Health Card Scheme
- Provide necessary training to the farmers in scientific methods of organic farming
- Upgrade the market facilities for silk producers, and enable electronic trading of silk, to avoid exploitation by middlemen and to ensure transparency
- Conduct a survey to assess the resource potential, quantification of output, existing industries and their functioning, job vacancies and the present resource utilisation patterns of the region to set up a silk factory/park
- Increase the area under mulberry cultivation
- Ensure technologies for silk production and new breeds of silk worms reach the farmers, in collaboration with the Central Silk Board
- Undertake promotional activities to popularise sericulture in the region
- Promote dairy farming by encouraging genetic conservation of native breeds, developing efficient breeding programmes through a cattle breeding and conservation policy
- Utilise modern technology to provide support to dairy farmers
- Provide regular supply of electricity
- Undertake an analysis to identify potential sites for implementing Decentralised Renewable Energy (DRE) solutions
- Promote sustainable energy access models, such as mini grids to fill the energy access gaps
- Promote the installation and use of LED street lamps by providing the equipment at subsidised prices

Chintamani Constituency (143)

The Bharatiya Janata Party is committed to ensure the all-round development of Chintamani Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Chintamani. In this endeavour, we promise to do the following

- Provide regular supply of water to meet the irrigation requirements
- Establish RO Units wherever necessary, to provide clean and safe drinking water
- Take up Integrated Development of tanks on lines of the Jala Samvardhane Model
- Provide regular supply of electricity
- Undertake an analysis to identify potential sites for implementing Decentralised Renewable Energy (DRE) solutions
- Promote sustainable energy access models, such as mini grids to fill the energy access gaps
- Promote the installation and use of LED street lamps by providing the equipment at subsidised prices
- Maintain regular supply of yarn from the Karnataka Handloom Development Corporation (KHDC) to meet the weaver's requirements
- Maintain a sizing unit in the District to enable proper supply of yarn
- Constitute a grievance redressal forum to address the problems of the weavers
- Provide financial support to the weavers
- Provide affordable housing to the eligible beneficiaries under the Pradhan Mantri Awas Yojana
- Upgrade the market facilities for silk producers, and enable electronic trading of silk, to avoid exploitation by middlemen and to ensure transparency
- Conduct a survey to assess the resource potential, quantification of output, existing industries and their functioning, job vacancies and the present resource utilisation patterns of the region to set up a silk factory/park
- Increase the area under mulberry cultivation
- Ensure technologies for silk production and new breeds of silk worms reach the farmers, in collaboration with the Central Silk Board
- Undertake promotional activities to popularise sericulture in the region
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era
- Fill up vacancies in Government Schools in accordance with the Karnataka State Civil Services (Regulation of Transfer of Teachers) Act, 2007
- Improve the road connectivity by increasing the number of buses and their frequency

- Undertake development of roads under the Pradhan Mantri Gram Sadak Yojana
- Promote dairy farming by encouraging genetic conservation of native breeds, developing efficient breeding programmes through a cattle breeding and conservation policy

Srinivaspur Constituency 144

The Bharatiya Janata Party is committed to ensure the all-round development of Srinivaspur Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Srinivaspur. In this endeavour, we promise to do the following:

- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Work with the Forest Department to evaluate the removal of Eucalyptus and Acacia trees to prevent ground water depletion
- Establish RO units to supply clean and safe drinking water
- Double farmers' income by promoting agro-logistics, processing and storage facilities, and professional management through Operation Greens
- Provide infrastructure to ensure mango growers procure Global Good Agricultural Practices to promote the export of mango
- Employ tech based application like GPS based crop survey to assess crop damage due to drought and provide insurance coverage and financial support to farmers under the Pradhan Mantri Fasal Bima Yojana
- Construct new ponds for aquaculture and promote micro-irrigation
- Examine the feasibility of reviving the Yargol Project to provide water supply to the area

- Upgrade parks and public spaces to ensure barrier-free access to senior citizens and physically challenged people
- Recommend increasing the frequency of trains between Srinivaspur and Bengaluru to the Ministry of Railways, Government of India
- Construct all-weather roads to improve connectivity
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost
- Attract investments for the establishment of automobile and agro-processing industries to generate employment
- Undertake development of Narasimha Swamy temple and Eshwara temple

Mulbagal Constituency (145)

The Bharatiya Janata Party is committed to ensure the all-round development of Mulbagal Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Mulbagal. In this endeavour, we promise to do the following:

- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Work with the Forest Department to evaluate the removal of Eucalyptus and Acacia trees to prevent ground water depletion
- Establish RO units to ensure supply of clean and safe drinking water
- Establish mango processing units with proper scientific preservation and storage facilities to empower farmers and increase productivity
- Provide infrastructure to ensure mango growers procure Global Good Agricultural Practices to promote the export of mango
- Examine the viability of providing train service between Bengaluru and Cuddapah via Mulbagal and make suitable recommendation to the Ministry of Railways
- Improve the frequency of bus transportation between Bengaluru and Mulbagal
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost
- Develop the industrial area in Narasapur with basic infrastructure to promote the establishment of automobile and agro-processing industries to generate employment
- Upgrade facilities in Government Polytechnic Colleges by introducing skill training programmes to meet the diversified needs of the industries
- Attract investments for the establishment of automobile and agro-processing industries to generate employment
- Develop Virupakshi Swamy Temple and Kurudumale Ganesh Temple to promote tourism
- Construct new ponds for aquaculture and promote micro-irrigation
- Improve the drainage facilities of the region
- Encourage use of solar pumps in agricultural lands by providing subsidies

Kolar Gold Field Constituency (146)

The Bharatiya Janata Party is committed to ensure the all-round development of Kolar Gold Field Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Kolar. In this endeavour, we promise to do the following:

- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Redevelop the 12,000 acres of BGML land into an industrial hub with state of the art infrastructure to attract investments from industries and manufacturing units which will give an impetus to employment in the area
- Explore the feasibility of utilizing tailings and left over mining areas
- Evaluate the viability of setting up a Special Economic Zone in Kolar Gold Fields
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost.
- Create awareness and promote blood donation camps with focus on quality
- Ensure periodic de-silting of Bethamangala Dam to increase its capacity
- Recommend to the Ministry of Railways to increase frequency of trains between Kolar and Bengaluru to ease the daily commute of people
- Explore the possibility of rail connectivity between Bangarpet and Kuppam via KGF and make suitable recommendations to the Ministry of Railways.
- Provide access to affordable housing through the Pradhan Mantri Awas Yojana
- Attract investments for the establishment of automobile and agro-processing industries to generate employment
- Develop Kotilingeshwara at Kammasandra, Avani Sita Temple and Bangaru Tirupati to promote tourism
- Construct new ponds for aquaculture and promote micro-irrigation
- Improve the drainage facilities of the region
- Provide skill training to women and youth to improve their employability

Bangarpet Constituency (147)

The Bharatiya Janata Party is committed to ensure the all-round development of Bangarpet Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Bangarpet. In this endeavour, we promise to do the following:

- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Work with the Forest Department to evaluate the removal of Eucalyptus and Acacia trees to prevent ground water depletion
- Explore the feasibility of reviving the Yargol Project to provide water to Bangarpet
- Provide infrastructure to ensure mango growers procure Global Good Agricultural Practices to promote the export of mango
- Develop pucca roads connecting rural areas under the Pradhan Mantri Gram Sadak Yojana
- Modernize the bus depot with proper infrastructure and increase the frequency of buses from Bangarpet to various cities
- Recommend to the Ministry of Railways to increase frequency of trains between Kolar and Bengaluru to ease the daily commute of people.
- Improve quality of healthcare services in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost
- Allocate funds to Bangalore North University to impart quality higher education to the students and bring up the general enrolment ratio in the area
- Improve the quality of higher education to enhance employability and meet industry standards
- Provide access to affordable housing through the Pradhan Mantri Awas Yojana
- Attract investments for the establishment of automobile and agro-processing industries to generate employment
- Effective implementation of the Prime Minister's Employment Generation Programme, Mudra Yojana and the ASPIRE Program to promote rural entrepreneurship and innovation
- Install transformers of required capacity in gram panchayats and wards to prevent voltage fluctuations
- Develop a comprehensive plan for sustainable waste procurement and management
- Establish clear guidelines for sand mining operations and enforce stringent legal action to crush Sand Mafia
- Implement and monitor ban on mining sand using machineries
- Open sand depots and make sand available for purchase, in line with the public distribution system

Kolar Constituency (148)

The Bharatiya Janata Party is committed to ensure the all-round development of Kolar Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Kolar. In this endeavour, we promise to do the following:

- Streamline distribution of fodder to increase the average net income of dairy farmers through transparent mechanisms
- Ensure increase of milk production supported by adequate infrastructure including processing units
- Increase productive employment in silk industry through the Integrated Silk Development Scheme that will focus on R&D, farmer's extension services and marketing of silk products

- Regulate the use of water from Kaveri and develop long term solutions like protecting the watershed and catchment areas while ensuring sustainable development in the region
- Empower and uplift women by providing financial support through Jan Dhan bank accounts
- Ensure that all Government Benefits reach the senior citizens directly through Aadhaar linkage

Hunsur Constituency (212)

The Bharatiya Janata Party is committed to ensure the all-round development of Hunsur Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Hunsur. In this endeavour, we promise to do the following:

- Install RO Water units wherever necessary, to provide clean and safe drinking water to every village in Hunsur
- Regulate the use of water from Kaveri and develop long term solutions like protecting the watershed and catchment areas while ensuring sustainable development in the region
- Work in tandem with the Agriculture Department to facilitate alternative avenues for tobacco farmers. This will involve mapping different crops grown across the State and provide opportunities for these farmers to scale up profits with other cash crops
- Provide subsidies and incentives to promote sustainable sericulture in the region
- Examine the provision of interest free loans to farmers through Milk Producers Cooperative Societies for purchasing cattle for dairy farming
- Provide incentives to encourage organic farming
- Provide opportunities for free quality education to talented rural children in a residential school environment to enable them to compete with their urban counterparts on an equal footing
- Provide Resettlement and Rehabilitation to all the families displaced from Nagarahole National Park
- Undertake construction of affordable and sustainable houses in the District under the Pradhan Mantri Awas Yojana
- Construct public toilets to make the region “Open Defection Free”
- Launch awareness drives in every Gram Panchayat to educate farmers about best practices for growing cash crops, contingency crop planning by growing various combinations of crops to minimize the risk of crop failure
- Attract investments into the agricultural marketing sector to set up cold chain network in the area
- Empower and uplift women by providing financial support through Jan Dhan bank accounts
- Ensure that all Government Benefits reach the senior citizens directly through Aadhaar linkage
- Provide impetus for the development of rural and domestic industries

Heggadadevanakote Constituency (213)

The Bharatiya Janata Party is committed to ensure the all-round development of Heggadadevanakote Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Heggadadevanakote Assembly Constituency. In this endeavour, we promise to do the following:

- Construct all weather road connectivity with proper drainage facilities to rural villages across Heggadadevanakote
- Provide proper roads and connectivity to farms and agricultural areas
- Ensure supply of clean and safe drinking water to all villages
- Issue Income Certificate, Caste Certificate and khatas over the counter, thus saving time and improving the efficiency in delivering services
- Fast track the process of issuing Akarbandh to farmer's land indicating the amount of cultivable land, uncultivable land, purpose of the land, portion of the land used for dry wet and plantation etc.
- Distribute manure and seeds at subsidized rates to farmers
- Provide interest subsidy to farmers combined with reduced capital subsidy to enable large scale deployment of solar pumps
- Work in tandem with the Agriculture Department to facilitate alternative avenues for tobacco farmers. This will involve mapping different crops grown across the State and provide opportunities for these farmers to scale up profits with other cash crops
- Provide access and necessary infrastructure to markets for the sale of horticulture and floriculture produce
- Provide incentives to encourage organic farming
- Take steps to reduce man-animal conflict and destruction of agricultural crops by elephants
- Consider an amendment to increase compensation awarded to farmers due to crop depredation by wild animals in the fringe areas
- Provide Resettlement and Rehabilitation to all the families displaced from Nagarahole National Park
- Improve the Healthcare facilities in Government Hospitals and Primary Health Centres and ensure regular supply of medicines, free of cost
- Ensure that all Government Benefits reach the senior citizens directly through Aadhaar linkage
- Empower and uplift women by providing financial support through Jan Dhan bank accounts

Nanjangud Constituency (214)

The Bharatiya Janata Party is committed to ensure the all-round development of Nanjangud Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Nanjangud. In this endeavour, we promise to do the following:

- Harness modern technology to treat water lifted from Kapila River in order to supply safe drinking water to the region
- Enforce strict penalties against industries that are directly releasing effluents and contaminating the Kapila River
- Integrated Development of all the tanks in the area on the lines of Jala Samvardhane Yojane
- Impose strict regulations to ensure that the buffer along the Kapila River is free from encroachments and illegal development
- Set up an industrial waste treatment plant
- Construct underground drainage facilities that are linked to a Sewage Treatment Plant to prevent discharge of untreated sewage in to the tanks, drains, and low lying areas
- Promote Nanjangud as a Pilgrim Destination. Provide accommodation facilities with basic amenities for the devotees visiting the Nanjangud Srikanteshwara Temple
- Upgrade local transport services to ensure proper connectivity from the temple to the bus depot and the railway station
- Increase the security around the temple during the festival
- Provide adequate parking facilities to accommodate the extra visitors during the festival
- Set up a botanical garden at Nanjangud to promote the growth of indigenous and exotic plants and trees for scientific, educational and ornamental purposes
- Set up a Mandi to promote Nanjangud Rasabale, a variety of banana that has secured Geographical Indication tag. Develop the research to ensure that the cultivation of this special variety of banana is free from diseases and pests
- Work in tandem with the Agriculture Department to facilitate alternative avenues for tobacco farmers. This will involve mapping different crops grown across the State and provide opportunities for these farmers to scale up profits with other cash crops
- Provide access and necessary infrastructure to markets for the sale of horticulture and floriculture produce
- Implement the proposal to construct the ring road to connect Nanjangud to Maddur to ease traffic congestion and significantly reduce travel time
- Work with the National Highway Authority of India (NHAI) to widen the Karnataka Kerala Interstate Highway

- Resume work on Mysuru Airport by offering connectivity to various cities under the UDAN Scheme.
- Work with the Airport Authority of India (AAI) to explore the possibility of expanding the runway facilities and the underpass so that more flights can be allowed to land and take off from Mysuru

Chamundeshwari Constituency (215)

The Bharatiya Janata Party is committed to ensure the all-round development of Chamundeshwari Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Chamundeshwari. In this endeavour, we promise to do the following:

- Ensure supply of clean and safe drinking water facilities to all wards
- Improve drainage facilities in all areas across Chamundeshwari
- Improve bus facility and connectivity between Vivekananda Circle and Sharadadevi Nagar
- Provide playgrounds with proper facilities to promote sports among youth
- Set up a Government Fair Price Shop for the distribution of food in Sharadadevi Nagar
- Ensure that pension reaches the eligible senior citizens and widows
- Replace polluting cooking fuels with clean LPG for households under the Pradhan Mantri Ujjwala Yojana
- Enforce segregation of waste at source and decentralize the solid waste management processing by setting up more processing units with proper vehicles to transport the waste
- Work in tandem with the Agriculture Department to facilitate alternative avenues for tobacco farmers. This will involve mapping different crops grown across the State and provide opportunities for these farmers to scale up profits with other cash crops
- Provide access and necessary infrastructure to markets for the sale of horticulture and floriculture produce
- Provide incentives to encourage organic farming
- Ensure that all Government Benefits reach the senior citizens directly through Aadhaar linkage
- Empower and uplift women by providing financial support through Jan Dhan bank accounts
- Regulate the use of water from Kaveri and develop long term solutions like protecting the watershed and catchment areas while ensuring sustainable development in the region

Krishnaraja Constituency (216)

The Bharatiya Janata Party is committed to ensure the all-round development of Krishnaraja Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Krishnaraja. In this endeavour, we promise to do the following:

- Enforce segregation of waste at source and decentralize the solid waste management processing by setting up more processing units with proper vehicles to transport the waste
- Promote Mysuru as the Cultural Capital of Karnataka and enforce strict guidelines for preserving the rich historical and cultural heritage of the City
- Develop a list of heritage buildings across Mysuru that need to be protected and work with the Archaeological Survey of India to develop plans to conserve the buildings while developing an adaptive re-use for the structures
- Create facilities and spaces in line with the historical character of Mysuru and promote Mysuru as a heritage destination
- Register the unorganized/informal sector workers across Mysuru and provide them with benefits under various social security schemes
- Work in tandem with the Agriculture Department to facilitate alternative avenues for tobacco farmers. This will involve mapping different crops grown across the State and provide opportunities for these farmers to scale up profits with other cash crops
- Provide access and necessary infrastructure to markets for the sale of horticulture and floriculture produce
- Provide incentives to encourage organic farming
- Ensure that all Government Benefits reach the senior citizens directly through Aadhaar linkage
- Empower and uplift women by providing financial support through Jan Dhan bank accounts
- Construct affordable housing under the Pradhan Mantri Awas Yojana
- Facilitate growth and planning in Mysuru to be in consultation with citizens based on sound principals of urban planning
- Encourage the construction of malls or retail spaces that are well connected to neighbourhoods through public transport facilities
- Regulate the use of water from Kaveri and develop long term solutions like protecting the watershed and catchment areas while ensuring sustainable development in the region

Chamaraja Constituency (217)

The Bharatiya Janata Party is committed to ensure the all-round development of Chamaraja Assembly Constituency. We assure you that we will work with integrity and sincerity to fulfil the long held dreams and aspirations of the people of Chamaraja. In this endeavour, we promise to do the following:

- Promote social advocacy for prevention of Dengue and enforce the protocol to prevent the spread of this vector borne disease by taking steps like bio-control measures, cleaning and disposing garbage and preventing the stagnation of water etc. before the onset of summer
- Enforce segregation of waste at source and decentralize the solid waste management processing by setting up more wet and dry processing units with proper vehicles to transport the waste
- Upgrade the infrastructure and provide better facilities at K R Hospital so that people receive quality health care
- Ensure timely completion of all road development works
- Ensure that all roads are built to uniform standards with clearly designated pedestrian walkways/paths
- Work with the Airport Authority of India (AAI) to resume work in the Mysuru Airport by offering connectivity to various cities under the UDAN Scheme. Explore the possibility of expanding the runway facilities and the underpass so that more flights can be allowed to land and take off from Mysuru
- Restore and rejuvenate Kukkarahalli Tank. Enforce regulations to ensure that no construction activity is permitted in the tank bed and the buffer area
- Ensure the end to end restoration and conservation of the Lansdowne and Devraja Market Building
- Install the statue of Maharani Kempa Nanjammani Devi Vani Vilasa Sannidhana at Aakashvani Circle
- Make all efforts to reconsider Mysuru to be developed as a part of the Smart City Mission
- Undertake massive afforestation and tree planting efforts and maintain the green cover to mitigate the effects of climate change
- Construct affordable housing under the Pradhan Mantri Awas Yojana
- Register the unorganized/informal sector workers across Mysuru and provide them with benefits under the various social security schemes
- Enable better implementation of door step enrolment service across Mysuru to cover physically challenged people and senior citizens who cannot travel to Aadhaar Centres
- Upgrade the Government Schools and Colleges with digital technologies to make them more adaptive to the new digital era
- Impart skill training to the youth under the Pradhan Mantri Kaushal Vikas Yojana
